Category: Selfadhesive paper
Availability: **estimated time of delivery 30.11.2026**
code: **344**

Price: 78,95€

Technical specifications

Material: Paper
Surface: Machine Coated
Quantity: 200 sheets
Size: 500 x 700 mm

Short description

The Italstick Machine Coated Supertack Plus is a premium self-adhesive paper designed for high-quality printing applications.

This material is specifically engineered for superior adhesion, making it ideal for challenging surfaces where a strong bond is required. The paper is machine coated, providing a smooth and consistent surface that ensures excellent print clarity and color vibrancy. This product comes in B2 size sheets, perfectly suited for a variety of printing machines and formats.
Key Features:
• High Adhesion: The Supertack Plus adhesive ensures strong and reliable adhesion to various surfaces, including difficult-to-stick substrates.
• Smooth Coated Surface: The machine-coated finish offers a high-quality print surface that enhances image sharpness and color depth.
• Versatile Use: Suitable for a wide range of applications, including labels, stickers, and other self-adhesive products where durability and quality are crucial.
• Sheet Size: Available in B2 format, with 200 sheets per pack, ideal for commercial printing needs.
Applications:
• Label Printing: Ideal for producing high-quality labels that require strong adhesion.
• Product Stickers: Perfect for stickers that need to adhere to various surfaces without peeling.
• Promotional Materials: Suitable for creating promotional materials that demand a high-quality finish and reliable sticking power.
This self-adhesive paper is a top choice for professionals seeking reliability, quality, and versatility in their printing projects.
