Creasing matrix CITO Pro Plus

Category: Creasing Matrix
Availability: **estimated time of delivery 30.11.2026**
code: **337**

Price: 0,00€

Technical specifications

Size: 0,4 x 1,0, 0,4 x 1,2, 0,5 x 1,0
Quantity: 50 pcs
Length: 70 cm

Short description

The professional film-based creasing matrix made from citothan.

Based on its composition this new base material increases production reliability and improves overall productivity as well with its improved shoulder geometry. Uniform shoulder widths also guarantee the best possible adhesive strength. In addition, citothan is easy to trim with a knife and the centring locator significantly improves transferring the creasing matrix to the correct position on the plate.
