Short description

The Self-Adhesive Natural Bois is a high-quality self-adhesive paper that mimics the natural appearance of wood grain, offering a unique and rustic aesthetic for a variety of applications.

This paper is an excellent choice for projects that require a natural, earthy look while benefiting from the practicality of a self-adhesive backing.
Key Features:
• Natural Wood Grain Texture: The Natural Bois paper features a wood grain texture that gives a warm, organic feel to your printed materials. This design is perfect for labels, packaging, and other printed items that seek to evoke a natural or handcrafted aesthetic.
• Earthy Tones: The paper is available in a subtle, earthy tone that enhances the wood grain effect, providing a realistic and appealing finish. This makes it suitable for products that align with themes of nature, sustainability, or craftsmanship.
• Self-Adhesive Backing: Equipped with a reliable self-adhesive backing, this paper is easy to apply to a variety of surfaces, including cardboard, plastic, and glass. The adhesive ensures that your labels or other printed items remain securely attached.
• B2 Size Format: The paper comes in a B2 size format, offering ample space for larger labels or multiple smaller designs per sheet. Each pack contains 200 sheets, making it ideal for both small and large-scale projects.
• High-Quality Printability: The Natural Bois paper is compatible with various printing technologies, delivering crisp, clear images and text. The wood grain texture adds a unique depth to your prints, making them stand out with a natural yet refined look.
Applications:
• Product Labels: Perfect for labeling products that emphasize natural ingredients, eco-friendliness, or artisanal craftsmanship, such as organic foods, handmade goods, or eco-friendly products.
• Packaging: Ideal for creating natural-looking packaging that complements the aesthetics of products with a focus on sustainability or handcrafted quality.
• Branding: Suitable for creating rustic branding materials that align with a company’s natural, eco-conscious image. This includes tags, labels, and promotional items that need to convey authenticity and warmth.
• Stationery and Crafts: A great choice for crafting projects, invitations, or stationery that require a touch of nature or a vintage feel, adding a unique tactile element to the final product.
The Self-Adhesive Natural Bois B2 offers a unique combination of natural beauty and practical functionality, making it an excellent choice for a wide range of applications. Whether you're looking to enhance the look of your product packaging, create distinctive labels, or craft materials with a rustic charm, this paper provides the quality and aesthetic appeal needed to achieve your vision.
