Availability: **Not available**
code: **334**

Price: 158,27€

Technical specifications

Color: Gold, Silver, Rose Gold, Bronze, Green, Blue, Spot / UV Glossy, Red
Quantity: 1 roll

Short description

Sleeking films gives you the option to enhance your prints with metallic coloured films and with holographic impressions.

Achive different optical effects with your regular lamination machine. Film will adhere only to the digital dry toner in ink (recommended is 100 % black). Sleeking technology eliminates UV finishing methods and prior lamination of sheets.
